

Marcus Irwin presents >>

FUSION The Australian Workshop Tour

Shake it like Shakira! Jam like your Janet. Get jiggy just like Justin

Feel the rhythm of life and freedom of movement in a vibrant and fun aerobic and dance oriented workout. Simple and achievable aerobic patterns are fused together with a variety of dance styles including Hip Hop, Club, Latin, Jazz and Afro providing an easy to learn 'structured freestyle' choreography class that allows for individual interpretation and expression.

With the growing popularity of dance music as well as fitness & dance-based classes in Europe and USA, Fusion is set to be the next hot trend on the group exercise floor. Developed by Marcus Irwin, Australia's most popular fitness personality, this instructor-training course will energise and re invigorate the way we see exercise to music classes today.

With the growing popularity of dance music as well as fitness & dance-based classes in Europe and USA, Fusion is set to be the next hot trend on the group exercise floor. Developed by Marcus Irwin, Australia's most popular fitness personality, this instructor-training course will energise and re invigorate the way we see exercise to music classes today.

Fusion Course

The 12 hour weekend course, conducted by the Fusion Instructor Trainer Team and headed by Marcus Irwin, will educate teachers of all experience and backgrounds and is designed to build upon and expand existing skills. By developing and enhancing your teaching methods as well as promoting your individual styles, Fusion will bring together both freestyle and pre choreography trained teachers, putting them one step ahead of the next generation in fitness.

2 Day Course Includes

- > Comprehensive Dance Training for all Fusion Dance modes
- > In depth Instructional & Teaching Techniques
- > Performance and Presentation Drills
- > Choreography Training Video
- > Music CD

Sydney	April 17th & 18th
Melbourne	May 1st & 2nd
